PLANNING PERMISSION

Application No : **P16/S2242/FUL**

Application proposal, including any amendments :
Erection of two 2-bed chalet bungalows and new boundary wall.

Site Location : **Land at 1 and 2 Moat's Crescent Thame Oxon OX9 3DD**

South Oxfordshire District Council hereby gives notice that **planning permission is GRANTED** for the carrying out of the development referred to above strictly in accordance with the description, plans and specifications contained in the application (as varied by any amendments as referred to above) subject to the following condition(s) :

1. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: By virtue of Sections 91 to 95 of the Town and Country Planning Act 1990 as amended by section 51 of the Planning and Compulsory Purchase Act 2004.

2. That the development hereby approved shall be carried out in accordance with the details shown on the following approved plans, ON74609, MCT/16/04, MCT/16/01 and MCT/16/02, except as controlled or modified by conditions of this permission.

Reason: To secure the proper planning of the area in accordance with Development Plan policies.

3. Prior to the commencement of the development hereby approved samples of all materials to be used in the external construction and finishes of the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority.

Reason: In the interests of the visual appearance of the development in accordance with Policy CSQ3 of the South Oxfordshire Core Strategy 2027 and Policies H4, G2 and D1 of the South Oxfordshire Local Plan 2011.

4. Prior to occupation of either of the dwellings, the car parking spaces for the existing and proposed dwellings depicted on drawing MCT/16/04 shall be constructed, laid out, surfaced, drained and completed to be compliant with sustainable drainage (SuDS) principles. They shall thereafter be retained free of any impediment to their designated purpose.

Reason: In the interests of highway safety and to ensure the provision of off-street car parking in accordance with Policies T1 and T2 of the South Oxfordshire Local Plan 2011.

5. No development shall commence until details of the slab and ridge levels of the proposed dwellings and the existing and proposed ground levels, relative to a fixed datum point, have been first submitted to and approved in writing by the local planning authority. The development shall be implemented in accordance with the approved details.

Reason: To ensure a satisfactory form of development in accordance with Policy CSQ3 of the South Oxfordshire Core Strategy 2027 and Policies H4, G2 and D1 of the South Oxfordshire Local Plan 2011.

6. Prior to commencement of development, a scheme of hard and soft landscaping of the site, including the treatment of the access road and any hard standings and boundary treatments shall be submitted to and approved in writing by the local planning authority. The approved scheme shall be implemented within the first planting season following completion of the development. Any plants, trees or shrubs which die, are seriously damaged or destroyed within a period of five years from completion of the development, shall be replaced by specimen(s) of the same species and in the position(s) first approved by the local planning authority.

Reason: To help to assimilate the development into its surroundings in accordance with Policy CSQ3 of the South Oxfordshire Core Strategy 2027 and Policies G2, C9 and D1 of the South Oxfordshire Local Plan 2011.

7. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking or re-enacting that Order, with or without modification), no development falling within

Schedule 2 Part 1 Classes A, B, or E shall be carried out without express planning permission.

Reason: To ensure the Local Planning Authority retains control over any future development as specified in the condition in the interests of amenity and in accordance with Policy CSQ3 of the South Oxfordshire Core Strategy 2027 and Policies H4, D4, G2 and D1 of the South Oxfordshire Local Plan 2011.

8. The applicant, or their agents or successors in title, shall be responsible for organising and implementing an archaeological watching brief, to be maintained during the period of construction/during any groundworks taking place on the site. The watching brief shall be carried out by a professional archaeological organisation in accordance with a Written Scheme of Investigation that has first been approved in writing by the Local Planning Authority.

Reason: To safeguard the recording of archaeological matters within the site in accordance with the NPPF (2012)

9. Following the approval of the Written Scheme of Investigation referred to in condition 8, no development shall commence on site without the appointed archaeologist being present. Once the watching brief has been completed its findings shall be reported to the Local Planning Authority, as agreed in the Written Scheme of Investigation, including all processing, research and analysis necessary to produce an accessible and useable archive and a full report for publication.

Reason: To safeguard the recording of archaeological matters within the site in accordance with the NPPF (2012)

NB: The above permission/consent may contain pre-conditions, which require specific matters to be approved by the Local Planning Authority before a specified stage in the development occurs. This means that a lawful commencement of the approved development/works cannot be made until the particular requirements of the pre-condition(s) have been met. Please read the letter attached to the decision notice for further information.

NB: This approval is specific to the details of the development as shown on the approved plans and other associated documentation. Unless otherwise agreed by the Council any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. As such the Council must be advised in writing of any proposed variations from the approved plans and other associated documentation at the earliest stage possible. A decision will then be made as to whether the changes can be dealt with as a minor revision to the approved details or whether a revised application is required.

This permission refers only to that required under the Town and Country Planning

Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation.

Reason for Decision

The proposal complies with the relevant Development Plan Policies and, subject to the attached conditions would not be harmful to the character and appearance of the site and surrounding area, the local highway network or the amenities of those occupants living in neighbouring properties.

In accordance with paragraphs 186 and 187 of the National Planning Policy Framework the Council takes a positive and proactive approach to development proposals. The Planning Service works with applicants/agents in a positive and proactive manner by offering a pre-application advice service and by advising applicants/agents of issues that arise during the processing of their application and where possible suggesting solutions to problems.

Note : A more detailed explanation is available in the officer's report, available in the application case file.

STATUTORY INFORMATIVE

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State for the Environment under sections 78 and 79 of the Town and Country Planning Act 1990.

If you want to appeal, then you must do so within **six months** of the date of this notice, using a form which you can get from :

The Planning Inspectorate
Customer Support Unit
Temple Quay House
2 The Square
Temple Quay
Bristol
BS1 6PN
Telephone : 0303 444 5000
www.planningportal.gov.uk
email: enquiries@pins.gsi.gov.uk.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by him.

Purchase Notice

If either the local planning authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council

(District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI, Chapter 1 of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the local planning authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in sections 114 and related provisions of the Town and Country Planning Act 1990.
