NB: This approval is specific to the details of the development as shown on the approved plans and other associated documentation. Unless otherwise agreed by the Council any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. As such the Council must be advised in writing of any proposed variations from the approved plans and other associated documentation at the earliest stage possible. A decision will then be made as to whether the changes can be dealt with as a minor revision to the approved details or whether a revised application is required.

This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation.

Reason for Decision

The proposal is in accordance with the relevant Development Plan policies and national planning policy. The proposed development would make more efficient use of land within a sustainable location and officers consider, on balance, that the proposal would not materially harm to the character and appearance of the site, or the wider area. Officers are also satisfied that there would not be a significantly overbearing or oppressive impact upon neighbouring amenity and the proposal is considered acceptable in terms of its impact upon the local highway network.

In accordance with paragraphs 186 and 187 of the National Planning Policy Framework the Council takes a positive and proactive approach to development proposals. The Planning Service works with applicants/agents in a positive and proactive manner by offering a pre-application advice service and by advising applicants/agents of issues that arise during the processing of their application and where possible suggesting solutions to problems.

Note : A more detailed explanation is available in the officer's report, available in the application case file.

STATUTORY INFORMATIVE

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State for the Environment under sections 78 and 79 of the Town and Country Planning Act 1990.

If you want to appeal, then you must do so within **six months** of the date of this notice, using a form which you can get from :

The Planning Inspectorate
Customer Support Unit
Temple Quay House
2 The Square
Temple Quay
Bristol
BS1 6PN
Telephone : 0303 444 5000
www.planningportal.gov.uk
email: enquiries@pins.gsi.gov.uk.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by him.

Purchase Notice

If either the local planning authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council

(District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI, Chapter 1 of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the local planning authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in sections 114 and related provisions of the Town and Country Planning Act 1990.
