Hi Cassie

I'd like to register the Victoria Mead Resident's Association (VMRA) with Thame Town Council.

I am 1 of the 4 trustees of the land who, along with Gemma Swaisland (also at No:18), Alison Simonson (No:1) and Alison Gray (No:24), form the committee.

Please see attached our rules which form our constitution and sets out how we represent the members. Please note we have our AGM this evening, where I hope to amend point 2 by adding a 3rd point to:

2. *The objects of the Association are*

- *to promote social events and activities between the residents of Victoria Mead*
- *to preserve the land on either side of the entrance and grassed area in the centre which is registered under title number ON208647 ("the Association Land").*
- *to, where possible and/or practicable, raise any issues of concern to the residents with the appropriate bodies*

The area covered is Victoria Mead, to include the land as registered under title number ON208647

Please see attached a copy of our rules, and the minutes from our 2016 AGM

Please advise if there is anything further we need to do, either by return to this email address, or to the association email address: victoriameadra@gmail.com

Kindest regards

Vanessa Hake (on behalf of the trustees of the VMRA)
