PRESS RELEASE

From: Thame Town Council

Date: 28 June 2017

Release Date: Immediate

Proposed Telecommunications Structure at Southern Road Recreation Ground, Southern Road, Thame

Thame Town Council has been notified by Shared Access that they are no longer progressing their proposal to install a telecommunications structure at Southern Road Recreation Ground.

At its meeting on 20 June 2017, as a result of consultation responses, the Town Council asked Shared Access to consider alternative positioning of the mast within the tree-line to fit more in line with the needs of the community.

Shared Access are not prepared to execute further work and the operators will now seek a traditional street based solution.

It is disappointing that in spite of significant efforts by the Town Council and the community that a solution acceptable to all could not be found.
