

THAME TOWN COUNCIL

Minutes of a Meeting of the Planning & Environment Committee held on 17 October 2017 at 6.30pm In the Upper Chamber, Thame Town Hall.

Present: Cllrs B Austin, D Bretherton (Deputy Chairman), P Cowell, L Emery (Deputy Mayor), H Fickling (Chairman), C Jones, A Midwinter and M Stiles
Officers
G Markland, Neighbourhood Plan Continuity Officer
A Oughton, Committee Services Officer

1 Apologies for Absence

Apologies for absence were received from Cllrs Deacock (Business), Dodds (Unwell) and Wyse (Council Business).

2 Declarations of Interest and Dispensations

There were no declarations of interest.

3 Public Participation and Public Questions

Mrs. K Lock spoke for planning application P17/S3483/LB. Mrs. Lock declared that parts of the building are in poor repair and require intervention before any works can be started. The District's Conservation Officer is recommending that planning permission for the associated change of use to a health clinic is withheld until full details of the works to be carried out have been agreed. Further delays are expected as the former tenant may have some liability for the repairs.

Mrs. Lock stated that separate treatment rooms will be provided by the use of stud walls. Planned alterations to the existing building include moving a disabled access toilet to the front of the building to enable better access and the change of pitch of an original staircase to enable safer access to the first floor. Although not ideal, the retention of a modern suspended ceiling would allow for services to be routed through the building with the least harm to the original fabric.

4 Minutes

The Minutes of the meeting held on 26 September 2017 were confirmed as a correct record and signed by the Chairman.

6 Reports from Town Council Representatives

- Transport Representative – Cllr Stiles apologised for not producing a written brief prior to the meeting but events had been moving at a fast pace. Cllr Stiles explained that she had been hoping to meet with Arriva over local bus services, including the potentially problematic routing of the Wenman Road, X8/280 service. County Councillor Nick Carter has now become involved in the dispute and has arranged for a meeting with the Head of Arriva Beds and Bucks. Cllr Stiles cannot attend this meeting due to a prior engagement. It was noted that the County has cancelled the planned visit of a County Highways officer who had been tasked with finding suitable locations for the bus stops for the Wenman Road service pending the outcome of Cllr Carter’s meeting.

Despite further attempts to enquire about the possibility of a hopper bus service for Thame Cllr Stiles stated that no reply has been made by County. Cllr Stiles hoped County Councillor Carter’s involvement would raise the profile of this proposal and suggested the Town Council await the outcome of his meetings with Arriva and County Officers.

Councillor Stiles has recently advised Towersey residents on who to complain to with regard to the lack of any reasonable Towersey - Thame bus service.

7 For Information

The items for information were noted.

It was also noted that since publication of the agenda planning approval had been granted by the District Council for planning application P17/S2443/LB, 74 High Street – Replacement of two dormer windows (with like for like, single glazed timber joinery as per additional information and plans received 27 September 2017).

The meeting concluded at 7 pm

Signed
Chairman, 7 November 2017
