About Citizens Advice nationally

Member of Citizens Advice nationally (Charity of the Year 2015).

- It sets the advice standard, assures quality and audits our service
- It maintains a website and provides support and training
- It advises on managing the local Citizens Advice organizations

We do not receive funds from the national charity or Central Government.

Why are we needed?

- Anyone can experience a problem. Life is complicated and many encounter problems they don't know how to deal with. They need help.
- Sometimes help can be provided via a 10 minute phone call. In other cases, many visits may be needed involving hours of Adviser time.
- Failure to tackle a problem (debt) can lead to other problems (loss of home, depression) and affect other people (dependents).
- This can reduce a person's ability to manage a family or earn a living.

Thame client numbers 2017/18

- Stressed / depressed before advice*** 2 in 3
- Less stressed/ depressed after advice*** 4 in 5
- Quality of Advice (audited) Green

* Based on sample of 1,341 feedback forms Feb-April 2018

**NB Figures derived from independent phone survey in 2017

***Citizens Advice (2014) Findings from national outcomes and impact research

Our Impact (2) – Value for Money

Every £1 invested in OSAVCAB in 2016/17* led to:

£4.82 in fiscal benefit (savings to Government such as reductions in health service demand, homelessness and out of work benefits)

£26.81 in public value (wider economic and social benefit such as improvements in participation and productivity for clients and volunteers)

£25.68 in benefits to individuals (income via benefits gained, debts written off and consumer problems resolved)

And

£761,543 represents the total public value of **volunteering** for Citizens Advice in our area

* 2017/18 figures not yet available. Cost benefit model approved by HM Treasury. Methodology set out in national Citizens Advice technical report: 'Modelling the value of the Citizens Advice service in 14/15'

Our volunteers – a success story

- We have recruited and trained 9 volunteers in 17/18
- They are trained as: advisers, telephone advisers, supervisors, administrators, IT support.
- Volunteers provide a valuable service estimated at **£761,543 pa.16/17**
- They also benefit: career development, social contact, learning new skills & team work.
- A paid member of staff is usually present at each advice session
