

Thame Town Council

Pension Discretions Policy

1. Introduction

- 1.1 The Local Government Pension Scheme Regulations require each local authority to publish a policy statement detailing how it will exercise the discretionary items in relation to the Local Government Pension Scheme (LGPS). Thame Town Council is considered to be a local authority for the purposes of these regulations.
- 1.2 The purpose of the statement is to manage the severance arrangements for employees where voluntary redundancy or early retirement is in the best interest of efficiency of service, whilst giving regard to workability, affordability and reasonableness.
- 1.3 This Policy explains how the Council will exercise the discretions available to it under Parts 3 and 4 of the regulations and reflects changes caused by the May 2018 amending Regulations.
- 1.4 Following the updated May 2018 Regulations, any leaver from the LGPS scheme from 1998 to 2014 with a deferred pension, can now ask for immediate payment of it from age 55. They do not need the employer to agree, but the employer gets the opportunity on the members request to switch on the 85 year rule when it is applied or waive some or all of the percentage if applicable.
- 1.5 The Council has the discretionary power to consider any request received on a case by case basis.
