

Culture, Leisure & Recreation Committee

Date:	19 March 2013
Title:	Pickenfield Management Plan
Purpose of the Report:	To approve the 5 year Management Plan
Contact Officer:	Rob Goss – Project Officer

Background

In accordance with other play areas in the town, a management plan has been produced for the Pickenfield Area covering the period from 2013 – 2018.

This will form the service plan for the area for the period. The plan also includes a description of the area and an inventory of the equipment located within it.

Risk Assessment

Risks	Controls
No budgetary control relating to the management of facilities meaning that aspects of the maintenance are not set in place at the start of the financial year.	The management plan sets in place clear aims, policies, finance and actions for the management of the area.

Legal Powers: Local Government (Miscellaneous Provisions) Act 1976.

Recommendation:

The Committee is recommended:

- i) To approve the Pickenfield Recreation Area 5 year Management Plan.***
