Estimate ref. TP01Q/2012 29/9/2012

Dear John

Following our meeting and site visit, I have pleasure in providing a Quote to upgrade the existing heating system at The Players Theatre. Works as follows.

1. Provide drawings and heat loss calculations, pipe run design and hydraulic loads and heating design loads, including all fees.....£1750.00 plus V.A.T.
2. Supply and install new gas fired boiler.
3. Supply and install new fan coil units to Auditorium area (6 units), Foyer (2 units).
4. Supply and install radiators to area behind stage (prop store area etc.), (6no.).
5. Supply and install control system).
6. Provide all necessary certification and instruction.

Total for items 2,3,4,5 and 6 £36,655 plus V.A.T.

If I can be of any further assistance, please do not hesitate to contact us.

Yours sincerely

Roger N. Cross
