Subject: PEORA surplus funds

Liz

This is to put you in touch with Andrea, who is Asset (effectively Property) Manager for Thame Town Council.

I've explained that PEORA has been dissolved and that the committee would like to apply its surplus funds to TTC to use in its discretion but preferably towards an environmentally friendly project in the Priest End/ Oxford Road area.

May I leave you to liaise as to precise amount, best means of transfer (presumably cheque payable to Thame Town Council) and timing?

Regards

Charles
