**Petition for Pedestrian Crossing on Oxford Road, Thame, opposite the Renaissance Development (previously Rycote College)**

To Whom It May Concern,

This letter is for a petition for a pedestrian crossing on Oxford Road, Thame, opposite the Renaissance Development (previously Rycote College). The reason for this is for the safety of our residents and particularly our school children when crossing the road. During peak and off-peak times, it is often impossible to cross the road in a timely and safe manner as very few motorists are willing to stop. Furthermore, vehicles departing Thame tend to often accelerate dangerously on this road.

Below are the details of some of the residents requesting this petition:

Resident Name	Address	Number of School Age Children
	10 College Close, OX9 2DP	2
	12 Old Union Way	2
	10 OLD UNION WAY	1
	11, Michaelis Rd.	2
	9, Michealis Road	6
	6 Michealis Road	1
	4 Michaelis Road	1
	5 Michaelis Road	1

Yours sincerely,  
 Oxford Road Area Residents
