002Neighbourhood Plan Continuity Committee

Date:	**17 August 2021**
Title:	**Burial Space – Site C**
Contact Officer:	**Andrea Oughton, Asset Manager**

Purpose of Report

1. To provide an update on burial space at Site C.

Update

2. The developer is currently in the process of commissioning / preparing a comprehensive suite of technical documents to support the planning application for the burial space off Thame Park Road. This is taking slightly longer than they hoped due to annual leave, self-isolation, etc.

3. A letter sent to Adrian Duffield, Head of Planning at SODC, by Thame Park Estates Residents Association (TPERA) raising concerns related to the burial space has been copied to the Town Council. The Asset Manager has spoken to a member of TPERA and shared the documents published at the Full Council meeting on 19 January 2021 when the Town Council agreed in principle to take on ownership and management responsibilities for the new burial space.
