

Neighbourhood Plan Continuity Committee

Date:	15 March 2022
Title:	Burial Space
Contact Officer:	Andrea Oughton, Asset Manager

Purpose of Report

1. To provide an update on burial space at Site C.

Update

2. The Asset Manager continues to push the developer for updates on the progress of the planning application to provide burial space at Site C. The developer requested to meet with the Working Group and several possible dates in February were put forward. Disappointingly, to date, the developer has not responded.
3. On a separate but related topic the Diocese of Oxford included the Town Council as a consultee on a Petition for a grave space reservation in St Mary's churchyard. Having consulted St Mary's who are happy with the arrangement it was felt there was no need for the Town Council to comment on the Petition.
