Dear Andrea,

Thame Park Road, Thame, Oxfordshire (28 Youens Drive)

I can confirm that Crest have no objection to a release from the restrictive covenants to allow the resident to erect a wooden boundary fence for the land in question to become private garden / amenity space on the agreed plans between the resident and Thame Town Council (referenced between the parties as 8d appendix 4). Release of restrictive covenant to apply to the referenced area only.

Yours sincerely

Tommy Burslem
