4. Both Flag Poles

4.1 Marking the Death of a Senior National Figure

On receiving the formal announcement by Buckingham Palace or Downing Street, the Town Clerk will authorise the Union Flag outside the Town Hall and in the Memorial Gardens to be lowered to half-mast**. The Union flag will fly in line with the agreed action plan within the Marking the Death of a Senior National Figure Procedure.

** Half-mast – the flag is flown two-thirds of the way up the flagpole with at least the height of the flag between the top of the flag and the top of the mast. When flag is flown at half-mast, it should first be raised all the way to the top of the mast, allowed to remain there for a second and then be lowered to the half-mast position. When the flag is lowered from the half-mast position, it should be raised to the top of the mast for a second before being fully lowered.
