PLANNING PERMISSION

Application No : **P23/S1796/HH**

Application proposal, including any amendments :

Demolition of single storey side extension, two storey side extension and single storey rear extension. (Amended plans received 16 August 2023 showing the side extension set back and set from the main front elevation and changes to the proposed materials)

Site Location : **39 Churchill Crescent Thame OX9 3JN**

South Oxfordshire District Council hereby gives notice that **planning permission is GRANTED** for the carrying out of the development referred to above strictly in accordance with the description, plans and specifications contained in the application (as varied by any amendments as referred to above) subject to the following condition(s) :

1. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: By virtue of Sections 91 to 95 of the Town and Country Planning Act 1990 as amended by section 51 of the Planning and Compulsory Purchase Act 2004.

2. That the development hereby approved shall be carried out in accordance with the details shown on the following approved plans, 23001-IA-2001 Rev P01, 23001-IA-2000 Rev P01, 23001-IA-1001 Rev P02, 23001-IA-1002 Rev P02, 23001-IA-2002 Rev P02, 23001-IA-2003 Rev P02 and 23001-IA-2004 Rev P02,

except as controlled or modified by conditions of this permission.

Reason: To secure the proper planning of the area in accordance with Development Plan policies.

3. The exterior of the development hereby permitted shall only be constructed in the materials specified on the plans/supporting documents hereby approved or in materials which shall previously have been approved in writing by the Local Planning Authority.

Reason: In the interests of the visual appearance of the development in accordance with Policies DES1 and DES2 of the South Oxfordshire Local Plan 2035.

NB: The following Thame Neighbourhood Plan 2013 Policies were considered:-
H6 - Design new development to be of high quality
ESDQ16 - Development must relate well to its site and its surroundings
ESDQ19 - The Design and Access Statement and accompanying drawings must provide sufficient detail for proposals to be properly understood
ESDQ28 - Provide good quality private outdoor space

NB: The above permission/consent may contain pre-conditions, which require specific matters to be approved by the Local Planning Authority before a specified stage in the development occurs. This means that a lawful commencement of the approved development/works cannot be made until the particular requirements of the pre-condition(s) have been met.

NB: This approval is specific to the details of the development as shown on the approved plans and other associated documentation. Unless otherwise agreed by the Council any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. As such the Council must be advised in writing of any proposed variations from the approved plans and other associated documentation at the earliest stage possible. A decision will then be made as to whether the changes can be dealt with as a minor revision to the approved details or whether a revised application is required.

This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation.

Reason for Decision

Planning permission is granted for the proposed development. The scale and design of the proposed development would be in keeping with the character of the building and the surrounding area and would not materially harm the amenity of neighbouring properties or highway safety. In conjunction with the attached conditions, the proposal accords with relevant planning policy.

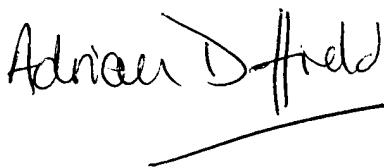

In accordance with paragraph 38 of the National Planning Policy Framework the Council takes a positive and proactive approach to development proposals. The Planning Service works with applicants/agents in a positive and proactive manner by offering a pre-application advice service and by advising applicants/agents of issues that arise during the processing of their application and where possible suggesting solutions to problems.

Note : A more detailed explanation is available in the officer's report, available in the application case file.

STATUTORY INFORMATIVE

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State for the Environment under sections 78 and 79 of the Town and Country Planning Act 1990.

If you want to appeal, then you must do so within **12 weeks** of the date of this notice, using a form which you can get from :

The Planning Inspectorate
Customer Support Unit
Temple Quay House
2 The Square
Temple Quay
Bristol
BS1 6PN
Telephone : 0303 444 5000
www.planningportal.gov.uk
email: enquiries@pins.gsi.gov.uk.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by him.

Purchase Notice

If either the local planning authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council

(District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI, Chapter 1 of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the local planning authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in sections 114 and related provisions of the Town and Country Planning Act 1990.
