

Section 3 - External Auditor Report and Certificate 2022/23

In respect of **Thame Town Council**

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The Council has answered 'Yes' to Assertion 4 of Section 1 of the Annual Governance and Accountability Return which relates to how the Notice of Public Rights was advertised within the financial year 2022-23. Therefore, it relates to the Notice announcing the public right to review the 2021-22 return which was published during 2022-23. As noted in the Auditor Report last year, this notice was not correctly advertised therefore this question should have been answered 'No'.

It was noted on review that the announcement of the Period for Public Rights was the same date as the approval of Section 2 of the Annual Governance and Accountability Return. Regulation 12 – 15 of the Accounts and Audit Regulations 2015 set out the order required to be followed when approving, announcing and publishing the Return and related documents in order to satisfy the Public Rights requirements. The Return must be approved prior to the Notice being published. To be able to demonstrate this, best practice is that the Notice is published no sooner than the day following the approval meeting and the Public Rights period commences no sooner than the next working day after that.

Other matters not affecting our opinion which we draw to the attention of the authority:

Section 2 of the AGAR was initially submitted without the Trust Fund disclosure in Box 11a completed. This was later resubmitted with a 'No' answer which was in line with our expectations and so there are no further concerns in this area.

The internal auditor responded 'yes' to control objective M with regards to the Council providing the correct period for exercise of public rights. We would have anticipated a 'no' response to this due to the previous year notice period for public rights being 31 working days not the mandatory 30 days.

Incomplete information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The parish council should in future ensure that all the necessary supporting information is provided with their annual submission.

The Council have completed the wrong AGAR form; a form 2 has been used and proper practice requires that a form 3 is used. The forms are very similar but not identical. In future the council must ensure it completes the correct version of the form.

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
