About Thame Town Council

- Thame Town Council is a tier of local government formed under the Local Government Act 1894. This tier is the closest to the people of the town and therefore has the greatest potential for identifying, understanding, and addressing the needs of the community.

- Thame Town Council is made up of sixteen councillors who are all elected every four years. Eight councillors are elected for each of the two wards; Thame North and Thame South. A boundary map can be viewed on our [website](#).
- There are council and committee meetings most Tuesday evenings at 6:30pm. There are also Sub-Committees and Working Groups which often meet during office hours.
- A new committee structure is due to be implemented from May 2024. Our committees will be: Corporate Governance; Community Services; Planning; Environment & Assets; and Personnel. Each councillor is required to serve on at least two committees.

The Town Mayor

- The council elects a Councillor to Chair its council meetings, also known as the Town Mayor. The Mayor must have served continuously on the Council for two years in order to be elected to this position. The Mayor also has a civic role representing the town at events and may choose to fundraise for charity. A Deputy Mayor is elected to deputise the chairing of council meetings and attend events in the Mayor's absence.
