Dear Ms Rendell,

**Prior Application No: P23/S2269/RM – Amendment No.4**

The Town Council wishes to thank you for agreeing an extension in time in order to allow the Town Council to consider the most recently proposed amendments. Due to time constraints, it was agreed at the Town Council's 9 April 2024 Planning & Environment Committee to delegate the decision on these amendments to officers.

The Town Council **Supports** the application.

The application was last considered by Thame's Planning & Environment Committee on 20 February 2024. The Committee objected on two grounds. Having reviewed the latest amendments officers consider that the grounds for those objections have now been overcome.

Please do not hesitate to contact the Town Council should you need any further information.

Yours sincerely

Graeme Markland  
Neighbourhood Plan Continuity Officer
