

Electricity Analysis

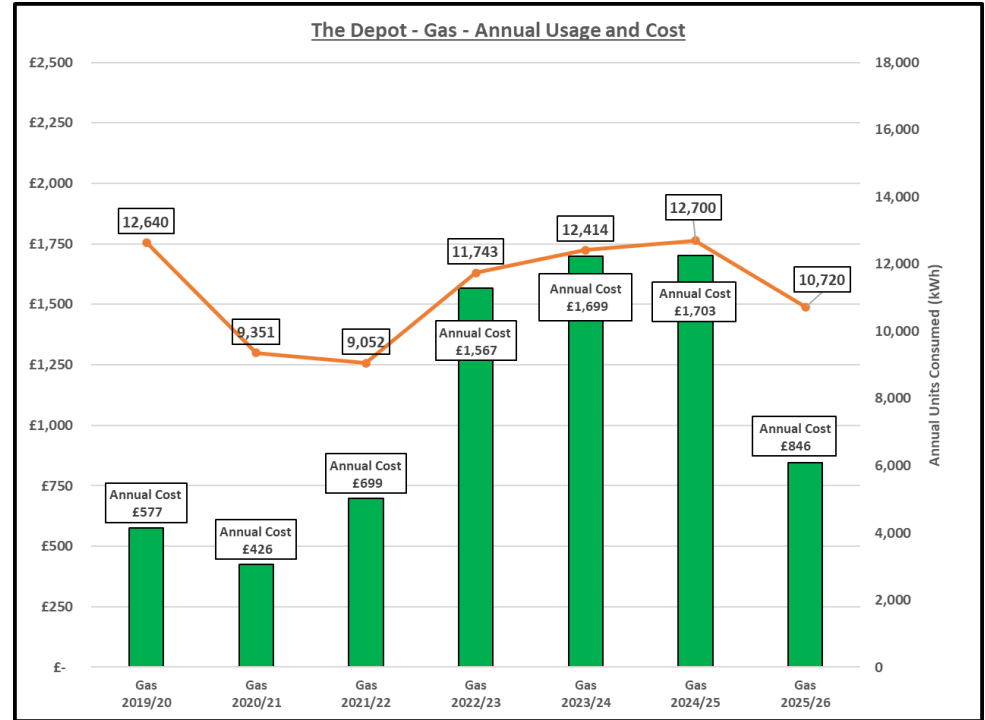

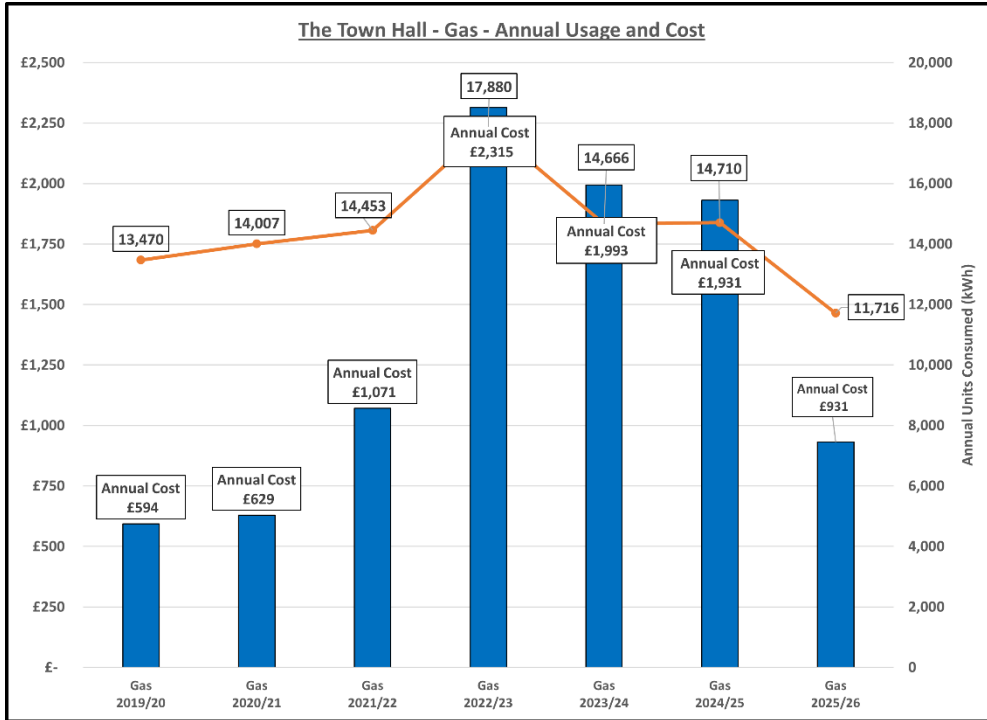

■ Annual Cost — Annual Units Consumed (kWh)

■ Annual Cost — Annual Units Consumed (kWh)

Additional electricity usage at the Town Hall is due to more Upper Chamber bookings and due to low temperatures in November and December, the storage heaters are put on more frequently.

Water Analysis

★ **Water Station installed outside Town Hall in August 2024**

Water usage in 2025/26 for the Town Hall has increased in line with increased Upper Chamber hire.

Water costs have increased to help finance essential investment in the water sector, including meeting new environmental requirements in addition to a compulsory move from Thames Water to Castle Water.
